

BlauFast RL 90

For connection of the air ducts to the connectors and air distribution boxes

- Casing material: Synthetic rubber

| | Unit of measurement | BlauFast RL 90 |
|-----------------------------|---------------------|----------------|
| Connected air duct size | mm | 90 |
| Ambient air temperature min | °C | -20 |
| Ambient air temperature max | °C | 60 |

Dimensions

| Ø D |
|-----|
| 94 |
