

# BlauCool BLHV-120-I-DM-AC/1R1A

Ducted units

- Refrigerant: R410A

|                        | Unit of measurement | BlauCool BLHV-120-I-DM-AC/1R1A |
|------------------------|---------------------|--------------------------------|
| Phases                 | -                   | 1                              |
| Minimum supply voltage | V                   | 220                            |
| Maximum supply voltage | V                   | 240                            |
| Power supply frequency | Hz                  | 50                             |
| Rated power            | W                   | 340                            |
| Weight                 | kg                  | 46                             |
| Refrigerant            | -                   | R410A                          |
| Gas connecting pipe    | mm                  | 15.9                           |
| Heating capacity       | kW                  | 13                             |
| Cooling capacity       | kW                  | 12                             |
