

# Centro 100 G1

Inline centrifugal fans

- Maximum airflow: 250
- Sound pressure level LpA at 3 m: 40
- Motor type: AC
- Control: Built-in speed controller
- Impeller type: Centrifugal impeller with backward curved blades
- Casing material: Plastic
- Installation in any position
- Cable with mains plug
- Temperature sensor

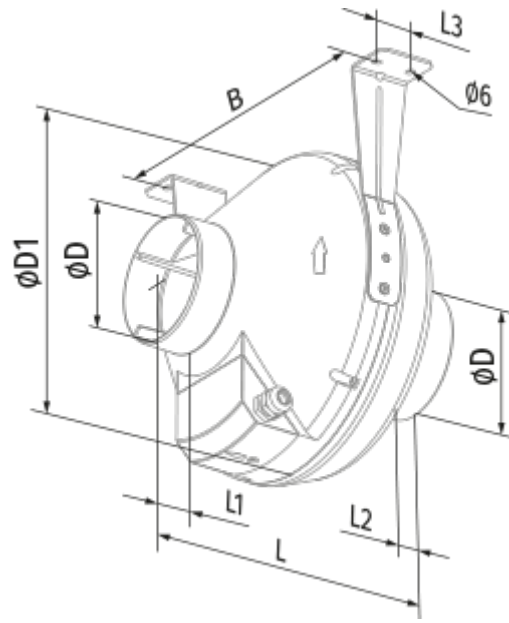

|  | Unit of measurement | Centro 100 G1 |    |
|--|---------------------|---------------|----|
| Connected air duct size                | mm                  | 100           |    |
| Speed                                  | -                   | 1             |    |
| Phases                                 | -                   | 1             |    |
| Minimum supply voltage                 | V                   | 230           |    |
| Maximum supply voltage                 | V                   | 230           |    |
| Power supply frequency                 | Hz                  | 50            | 60 |
| Rated power                            | W                   | 62            |    |
| Unit current                           | A                   | 0.29          |    |
| Maximum airflow                        | m <sup>3</sup> /h   | 250           |    |
| Sound pressure level LpA at 3 m        | dB(A)               | 40            |    |
| Weight                                 | kg                  | 2.01          |    |
| Transported air temperature (max)      | °C                  | 55            |    |
| Transported air temperature (min)      | °C                  | -25           |    |
| Ingress protection rating              | -                   | IPX4          |    |
| Ingress protection rating of the drive | -                   | IP44          |    |

## Dimensions
