

# Hi-Fi 100 (220-240V/60Hz) TR

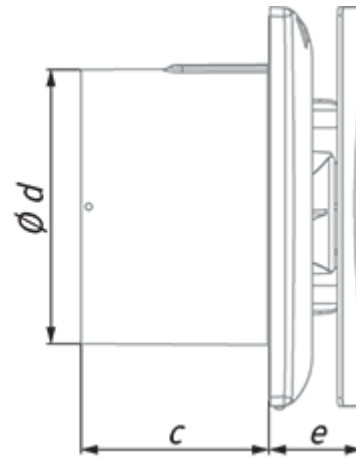

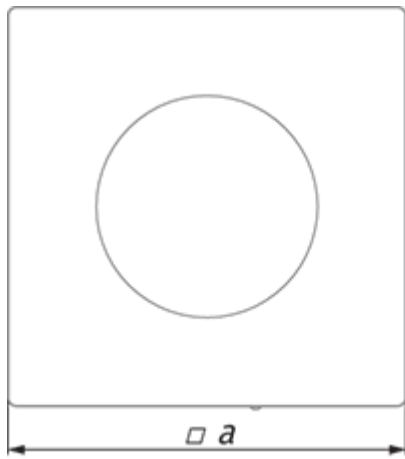

Low noise and low power exhaust axial fan

- Casing material: Plastic
- Backdraft protection: Backdraft damper
- Timer: Turn off timer, Turn on timer

|                             | Unit of measurement | Hi-Fi 100 (220-240V/60Hz) TR |
|-----------------------------|---------------------|------------------------------|
| Connected air duct size     | mm                  | 100                          |
| Speed                       | -                   | 1                            |
| Minimum supply voltage      | V                   | 220                          |
| Maximum supply voltage      | V                   | 240                          |
| Power supply frequency      | Hz                  | 60                           |
| Unit current                | A                   |                              |
| Weight                      | kg                  | 0.51                         |
| Ambient air temperature min | °C                  | 1                            |
| Ambient air temperature max | °C                  | 40                           |
| Ingress protection rating   | -                   | IP44                         |
